

How to Get to the North Complex (Buildings 1, 2, 3, 5, 7, and 19) From Patient Parking

The two patient parking garages (Liberty Garage and North Garage) are located in the North Complex. You may enter any building in the North Complex as needed. The handicap entrance from the Liberty Garage to Bldg. 7 is shown on the map. More resources are available at walterreed.tricare.mil/planning-your-visit.

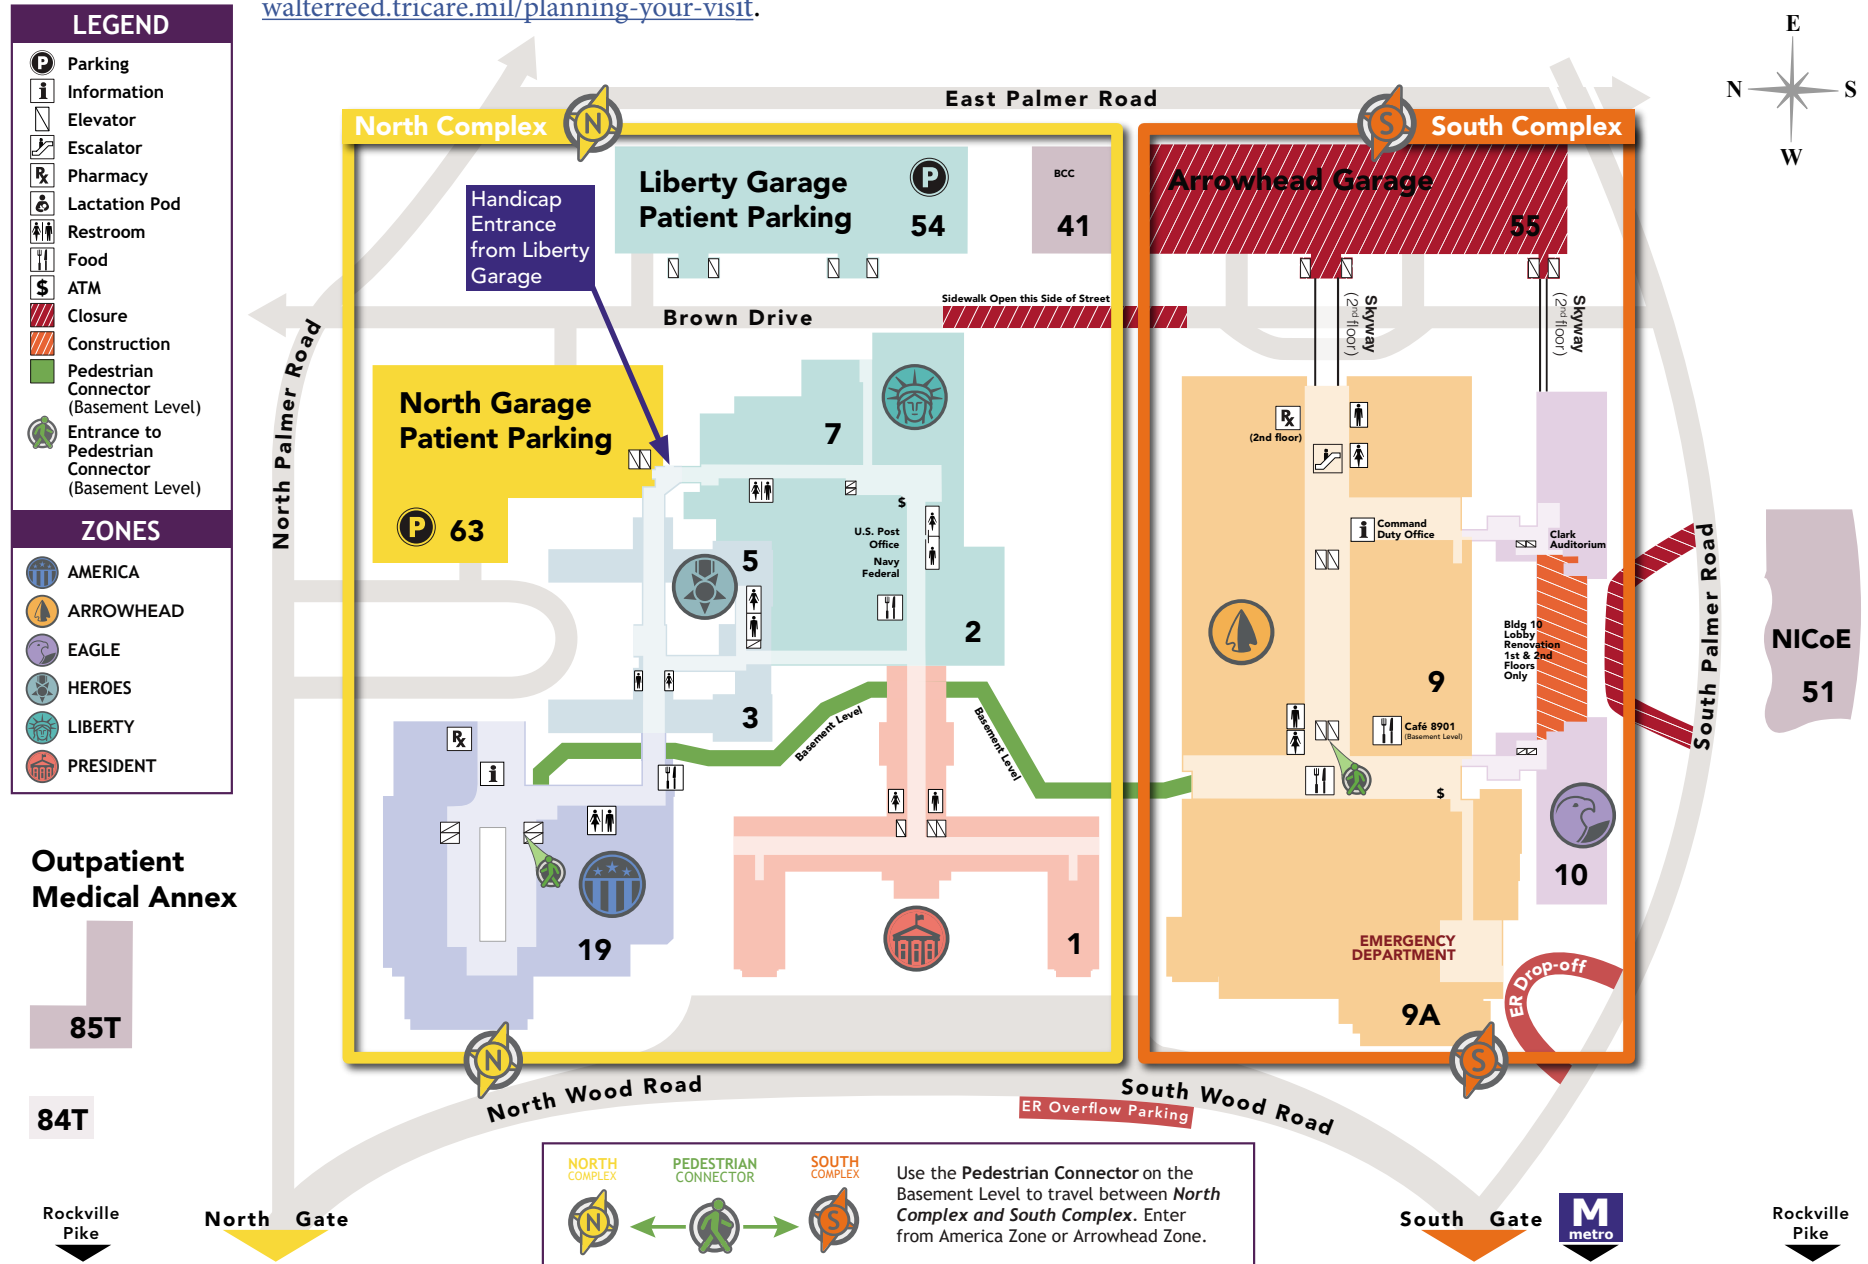

How to Get to the South Complex (Buildings 9, 9A and 10) From Patient Parking

The two patient parking garages (Liberty Garage and North Garage) are located in the North Complex. To get to the South Complex, travel southbound on the sidewalk along Brown Drive and enter Bldg. 9 under the skyway, or enter any building in the North Complex and use the Pedestrian Connector in the basement of Bldg. 19 to get to the basement of Bldg. 9. The handicap entrance from the Liberty Garage to Bldg. 7 is shown on the map. More resources are available at

walterreed.tricare.mil/planning-your-visit.

85T

How to Get to the Outpatient Medical Annex (Building 85T) From Patient Parking

There is limited patient parking in front of the Outpatient Medical Annex (Bldg. 85T). If parking in one of the patient parking garages (Liberty Garage and North Garage), you may use the sidewalks along Brown Drive and North Palmer Road to get to Building 85T (see pink highlighted path shown below). More resources are available at walterreed.tricare.mil/planning-your-visit.
