Hours of Annual Paid Personal Time Off (PTO and/or Vacation)	
Military members earn 30 days paid leave annually. Our interns are encouraged and routinely approved to use at least two weeks of leave during the training year. Interns also take 10 Federal holidays, all paid.	
Hours of Annual Paid Sick Leave	
The military does not have a specified amount of annual sick leave. Rather, when medically indicated, military members are granted “sick in quarters” for minor illnesses, “light duty” for relatively brief but more significant medical conditions limiting work capabilities, or “limited duty” for more lengthy and serious medical conditions limiting work capabilities and requiring a more extensive period of treatment or rehabilitation. All are fully paid statuses.	
In the event of medical conditions and/or family needs that require extended leave, does the program allow reasonable unpaid leave to interns/residents in excess of personal time off and sick leave?	No. Military has no “unpaid leave” status; such situations would be handled with paid convalescent or limited duty status for intern medical conditions, or assessed for paid humanitarian leave for family needs. Either would necessitate extending the internship completion; intern would remain fully paid during extension.
